

BERGEN FENCE

SINCE 1953

VINYL
Collection

Our Story

Since 1953, Bergen Fence has been committed to providing quality service, value and dependability to each and every customer. From your first meeting, designing and manufacturing your fence to the final installation, our main goal will always be to provide exceptional customer service and craftsmanship. We are a fully licensed and insured fencing company with over 70 years of experience.

Our Procedure

At Bergen Fence, we use only the finest 100% virgin vinyl fencing available. We have earned our reputation as an industry leader and innovator by providing beautiful, time-tested products. Our knowledgeable consultants are with you throughout the entire process to make sure with you get the perfect fence to compliment your property. We proudly offer a lifetime manufacturer warranty on classic PVC materials.
